

disciple

10 session discipleship course, perfect for 20s to 30s.

Disciple is Freedom in Christ's message for those in their 20s and 30s. Church leaders report that discipling those in their 20s and 30s is one of their biggest challenges. Known as the "missing generation" they are most noticeably absent in our churches, embracing spirituality but rejecting organised religion.

The best way to reach them? Through discipling. They will learn how to take hold of their freedom and discover their mandate.

Includes impactful Starter Films introduces the theme for each session and extra films which can be accessed via the app on topics including sex, the occult, and fear.
