

# TRANSFORM

A personal journey into greater freedom, fruitfulness, and disciple-making for leaders.

TRANSFORM is specifically designed for church leaders and leaders of Christian organisations who are passionate about leading a church or ministry of fruitful disciples that make a major impact for the Kingdom of God.

TRANSFORM will strengthen your existing ministry and further ground your leadership firmly in the Biblical principles of identity, freedom, and transformation. Equipping you to go even deeper into God personally, confident that this will lead to greater influence and fruitfulness in your life and ministry.

It offers the added advantage of fostering a community of like-minded leaders travelling together through the TRANSFORM journey.

“

As church leaders, we often are giving, but do not have time to receive. Studying the Freedom material personally each week and connecting deeply with others in our hub meetings was like a wonderful oasis. I have emerged much more at peace in myself and re-energised.

*Very Rev Dr Charles McMullen, Minister, West Presbyterian Church.*
