

THE GRACE COURSE

8 session discipleship course, perfect for small groups.

Do you want to keep growing as a Christian, and bear more and more fruit that will last forever? By God's grace—and only by His grace—you can! The objective of The Grace Course is to help you experience God's grace in such a deep way (in your heart as well as your head) that love for Him becomes the main motivator in your life.

An 8-Session Video Course. A dedicated Participant's Guide and Leader's Guide is also available to purchase to complement the course.

The sessions are followed by a practical ministry component, "The Steps to Experiencing God's Grace, and a further practical session on how to replace faulty beliefs with the truth from God's Word.

“

The Grace Course deepened people's sense of identity in Christ and stirred them up to greater love and faithfulness from a point of grace — not obligation or legalism. We recommend it highly.
