FOR CHRISTIAN LEADERS

A PERSONAL JOURNEY INTO GREATER FREEDOM,
FRUITFULNESS, AND DISCIPLE-MAKING

ABOUT TRANSFORM

As a ministry founded to equip Christian leaders, nearly a decade ago, we recognised the need to help them rediscover the joy of being fully alive in Christ. In a challenging and often isolating leadership landscape, we recognised how many leaders regularly faced situations that left them feeling discouraged and alone.

Our response to this growing awareness was the creation of TRANSFORM—a journey designed to empower leaders with the tools to understand and live out their true influence within whole people systems, resulting in healthier spiritual outcomes for both ministries and teams.

Rather than positioning ourselves as teachers, we see ourselves as co-journeymen—walking alongside leaders in a process of spiritual transformation. The TRANSFORM experience has been intentionally crafted to encourage leaders to re-engage with the Lord in their personal discipleship journey, rediscover the joy of being a beloved son or daughter of God, and—flowing from renewed intimacy with Him—build healthier, more meaningful relationships with others, especially within their leadership contexts.

A central part of TRANSFORM is the use of key courses: Freedom in Christ, The (new) Grace Course, and Freed to Lead. These powerful resources have impacted millions of Christians globally. Within TRANSFORM, we approach them through a leadership lens, always anchored in the truth of God’s Word and applied directly to the realities of Christian leadership.

My hope is that you embrace this transformational journey—seeking God through practices such as slowing down, engaging with Scripture and prayer, working through our Freedom in Christ teachings, completing the powerful Steps to Freedom, reflecting deeply, and embracing silence, solitude, and meaningful peer connection within the TRANSFORM learning community.

HEAR WHAT OTHER CHRISTIAN LEADERS ARE SAYING ABOUT THEIR TRANSFORMATIONAL JOURNEY

**LYNNE ENTWISTLE,
MINISTRY LEADER,
BRAVE CHURCH
LANCASHIRE**

Having come out from what I felt was a high-pressure-to-perform church environment, I had lost my heart to heart connection with God that I once enjoyed. Being on the Transform journey connected me back to My Father's heart. I believe that the rich fruit from my time on the Transform journey will still be bearing many months from now.

**RACHEL YOUNG,
MANAGING
DIRECTOR,
BOURNEMOUTH**

Culturally, we are aware of mental health, this programme comes from a Christian perspective of actually receiving freedom and a healthy mindset which is Christ-centered. It's made God's truth more real and grounded me in Christ.

BE THE LEADER GOD CREATED YOU TO BE WITH TRANSFORM

'Eugene Peterson speaks memorably of "learning the unforced rhythms of grace" and that's exactly what Transform has enabled me to do. As church leaders, we often are giving, but do not have time to receive. Studying the Freedom material personally each week and connecting deeply with others in our hub meetings was like a wonderful oasis.

As you journey through the material, those light bulb moments of truth that you have known over a lifetime but which come to you like fresh revelations. I have emerged much more at peace in myself and re-energised. It has taken me a number of years to sign up to the course, but I'm so glad that I did. God's timing is perfect!'

RESOURCES

FREEDOM IN CHRIST

Now in its third edition and translated into well over 40 languages, the Freedom In Christ Course can transform the way you help Christians become fruitful disciples.

Focused on firstly establishing every Christian in the sure foundation of their identity in Jesus, it gives them the tools to break free and stay free from all that holds them back, and provides a strategy for ongoing transformation. It is a gentle and straightforward process during which the participants will uncover strongholds they have developed, and learn how to overcome them. This unique course is coupled with the "Steps to Freedom in Christ".

THE GRACE COURSE

The new version of "The Grace Course" is loaded with additional study tools to help you walk deeper in His Grace.

Do you want to keep growing as a Christian, and bear more and more fruit that will last forever? By God's grace—and only by His grace—you can! The objective of The Grace Course is to help you experience God's grace in such a deep way (in your heart as well as your head) that love for Him becomes the main motivator in your life.

An 8-Session Video Course and a dedicated Participant's Guide and Leader's Guide is also available to purchase to complement the course.

RESOURCES

FREED TO LEAD

At a time of complex leadership challenges globally where Christian leaders are facing unprecedented obstacles, and struggle to balance corporate and Christian leadership styles, Freedom in Christ has developed Freed To Lead - a powerful discipleship course for Christians who are called to Leadership — whether in the marketplace, public service, the Church or any other context. Freed to Lead examines how being rooted in Christ is the true foundation for all Christians with responsibility for leading or managing others.

THE STEPS TO FREEDOM IN CHRIST

In Transform there is an opportunity to go through the Steps to Freedom in Christ. This is an opportunity to come before the Lord and to take a gentle Holy Spirit led process to look at areas of your life where the enemy may have an influence through lies you have believed and areas of unforgiveness.

The Steps process takes the form of seven steps which covers most aspects of your life. The foundation of the Steps process is based on James 4:7, Submit to God, resist the devil and he will flee from you.

You will have an opportunity to go through the Steps in a personal appointment or on an away day. It is a time to experience your true freedom in Christ.

The Steps to Freedom in Christ is a core part of Freedom in Christ Course. The Grace Course and Freed to Lead also have Steps which have a slightly different emphasis. These will be led for personal interaction in a hub or Cohort setting.
